The Delicious Eco-Friendly Gift

Corporate Offer

An NPO project

LA TRANSFORMERIE

Rescapés

The delicious Rescapés spreads and marmalades, created by chef Guillaume Cantin (winner of the first season of Les Chefs! TV show), are made from perfectly ripe fruits recovered from grocery stores.

Each jar sold saves 12 kg of food from being wasted, and redistributes 8.75 kg to food aid.

Derived from the circular economy

Eco-friendly

Helping fight food insecurity

Made in small batches with love

A gourmet, committed and turnkey gift.
